

I'VE BEEN LOVING YOU TOO LONG

Words & Music: Otis Redding

I've been loving a little too long
I don't want to stop now

You were tired and you want to be free
My love is growing stronger, as you become a habit to me
Oh, I've been loving you a little too long
I don't want to stop now

With you my life
Has been so wonderful
I don't want to stop now

You were tired and your love is growing cold
My love is getting stronger as our affair is growing old
I've been loving you a little too long
I don't want to stop now

Oh, I've been loving you
I love you with all of my heart
Oh, I've been loving you too long

I've been loving just a little too long
No, I don't want to stop now, oh

You were tired and you want to be free
My love is growing stronger, as you become a habit to me
I've been loving you just a little too long
No, I don't want to stop now

No, oh no, I can't stop now
I still love you with all of my heart
Oh baby, where are you now?
Oh no, I can't stop loving you
Cause I love you just a little too long
