

## **All Is One**

Words & Music: Inga Rumpf / Niko Müller  
Publisher: LVG

All is one in heaven  
All is one down here  
All is in one moment  
When your love is near

All the birds are singing  
Dancing in the air  
Sweet tunes are bringing  
Back my love to where

All is one - one love  
All is one - in one world  
All is one - one love

All is one around me  
All is in my heart  
All is one forever  
We won't be apart

All the rivers are flowing  
Once they reach the sea  
Deep feelings growing  
What a joy to be!

All is one - one love  
All is one - in one world  
All is one - one love  
All is one - one love
