

It's So Fine

Words & Music: B. Gordy/T. Carlo/A. Green
Sung by Inga Rumpf (Fifty Fifty)

You don't want me
It's a blame to see
I can tell by the way you're treating me

You run around and you
Having fun then you're
Coming to me when you're down

But it's so fine, yeah, it's so fine
But it's so fine – brrbababebop, brrbababebop
Brrbaba, spillediupmbow – to be with you

You stay out on
All night long
And you say that baby, it isn't wrong

I should have left you
Long ago but I can't because I know

That it's so fine, yeah, it's so fine...

You wanted to have
Controlling me
But baby you know that this shouldn't be

I want to leave you
But baby
I can't because I know

That it's so fine, yeah, it's so fine...
