

## A WOMAN IN LOVE

Words & Music: Inga Rumpf

A woman in love  
Is such a pretty thing  
A woman in love  
Dancing Cha-Cha and Swing

I was thrilled to the core  
When I looked into your eyes  
I knew more and more  
You were good for a surprise

Since the day you care  
Every night is so fair  
We travel in style  
And wake up with a smile

A woman in love  
Has such a million clues  
A woman in love  
Singing Gospel and Blues

So many boys  
But I can keep cool  
All my joy  
Is a kiss of you

You make me feel so unique  
Eight days a week  
We travel in style  
And move on with a smile
