

I am I

Words & Music: Inga Rumpf / Niko Mueller

Babe, I hear all the words you're saying
Oh, I feel that you're in doubt
You're telling me how many dues you'll be paying
If you let all your feelings out

Don't you think it's time to stop your speculation
I just wanna hear your soul speak
And I realize the way together now
The situation is so clear to me

I am I and you are you
I am I and you are you
But together we're one
Together we're more
Together we are more than two

Babe, I wonder if you'll stay with me
I'm in trouble all the time
I've got a thousand eyes to see
And about a thousand different sights

Please, help me to stop my confusion
I built a fence around my dreams
I know that love is a boundless country
And it's so easy for us to get in
