

Lazy (Sixty-Five)

Woke up this morning
Breakfast in bed
Had to do a lot
Kept lying down instead

Opened a bottle
Of red wine
Watched YouTube and
I felt fine

Oh Mama, that's ok
It's just a lazy day
Oh Mama, that's ok
It's just a lazy day

Stayed in bed
'Til it was dark
Went downstairs
Walked the dog

Met nobody
For a little chat
Nothing in the mailbox
I went back to bed

Oh Mama, that's all right
It's just a lazy night
Oh Mama, that's all right
It's just a lazy night

Woke up this morning
And I was sixty-five
I'm old now
But I am still alive

Some good friends
And my family
Send cheers from heaven and
Hell to me
Hey Mama –
Sixty-five
A little lazy -
But alive

Hey Inga –
That's ok
Congratulations -
Happy birthday!
