Peace By Peace
Words & Music: Müller/Rumpf
Publisher: LVG

Piece by piece we can work it all out
Tune by tune we can sing it out loud
Step by step we can walk on
Word by word we can talk on

Give the world rest and ease
Total relief – peace by peace

Life made it so far till now
Can you imagine how
The world will turn in some years?

Now we dare to put nature down
Are we born to wear the crown
Oh, is life just fear and tears

Our hearts believe in visions
Our songs spread out the mission:

Stand up!
Join in!
Together we’ll go
