I thank you  
For the right to see  
See with my two eyes  
I see the glory

I thank you  
For the right to hear  
Hear the clearest sound  
I hear the glory

I thank you  
For the right to feel  
Feel like lovers do  
I feel your glory

I thank you  
For the right to sing  
Sing like women do  
I sing your glory

I thank you  
For the right to pray  
Pray like children pray  
I pray your glory
